

## Handyman

# Summer Language School 26/07 until 16/08 at South Devon Steiner School

April 2020

Live & Learn Language Ltd, a local seasonal Language School in Dartington, are looking to hire a Handyman to join the team.

We are looking for an additional member of staff to join our language school team on a self-employed basis. You will be working alongside other language school staff who are driven and motivated and we are looking for a like-minded person to join us.

The purpose of the role will be to prepare, repair and maintain the facilities and equipment. Circumstances are currently uncertain due to Covid-19 but we are still looking for someone to join our team this summer. You will be involved in a varied role where no two days will be the same. Some of your duties and responsibilities will include the following:

- Carrying out repairs and maintenance of language school equipment and facilities such as tables, chairs, doors, windows, electronics etc.
- Assisting with language school build up (before 26<sup>th</sup> July) and take down (after 16<sup>th</sup> August)
- Carrying out preparation and cleaning duties in respect to rooms and areas used during the language school (a professional cleaning team will be in place)
- Ensuring site health & safety is met (lease with L&LL Health & Safety Lead)

No formal qualifications are necessary for this role and neither is any prior experience. You will be working as self-employed and a public liability insurance needs to be in place. Ideally, the candidate would hold a DBS check that is less than 3 years old.

Having a car and a driving licence is beneficial; as you could be required at times to use the vehicles on site and this will at times be on and off the site.

Live & Learn Language Ltd. are looking to hear from people who can work independently, who are confident and committed. We are looking to hear from people who are passionate and enthusiastic and will share the same values as their staff. If you feel you meet the above criteria and are looking for a new challenge, please apply today. Please complete our Application Form, which is available online, and send your CV to the email address stated below.

Our Summer Language School will run from 26<sup>th</sup> July until 16<sup>th</sup> August. The successful candidate would work a total of 16 hours at £9.28 per hour.
