

Financial Assessment Form, 2018-19
For families wishing to request financial assistance (Community Assisted Places)

To be returned by: Monday 16th April 2018

Parent(s) Name(s).....

Only fully completed forms will be considered. Please complete ALL boxes. Please respect the limited time available to our members of staff. Contact Admissions or Finance if you are unsure how to complete the form.

- South Devon Steiner School offers a limited number of Community Assisted Places.
- These places are afforded by those who commit to paying the full school fees.
- The reality is that these places are currently also afforded by the low salaries paid to members of staff and our limited ability to develop the grounds and facilities. In other words, there is a price to pay for the financial assistance we offer. We ask you to consider this carefully.
- By completing this form you are entering into a mutual and strict non-disclosure agreement with South Devon Steiner School. You may not share the details of the agreement and we will treat your information as confidential.
- Your application will be reviewed by the School Management Team together with the Finance Manager according to the rules defined by the School's Council of Trustees.

The form starts here:

Enter first name(s) of your child/children and the full school fee amounts that would apply to them. The school fees in Kindergarten are determined by the child's year-group. **It is then imperative you enter the proposed school fee for each child for each term in the proposed school fee boxes.** You may want to consider what you can afford per month first to work out your termly fee.

Requested School Fee scale 2018-19 £ per term				Your children at the school Name/s	Class in 2018-19	Full School Fees	Proposed School Fees (mandatory)	
		1st child	Sibling	Eldest (1 st child rate):		£	£
