

**SDSS ECD Key Worker Statement**

In the SDSS Kindergarten, the overall **Key Person** role (See EYFS 1.11) is held by the kindergarten teacher, who has the overview of all the children in their group. It is the kindergarten teacher who will write up the assessments, reports and feed back to parents.

We are aware that in order to properly meet the individual needs of each child, and to properly observe and assess their learning and development, each key person should be attentive to around 8-10 children in the group. Therefore the kindergarten assistant or other adult may be given a key person role in respect of certain children in the group, and they will share information with the kindergarten teacher on a regular basis.

We will endeavour to share with parents should a specific person other than the kindergarten teacher take on that role.
