

## Health & Safety

I confirm that I have read and understood, to the best of my abilities, the contents of the government guidance document "*Health protection in schools and other childcare facilities*", published September 2017, and I will adhere to these guidelines whilst being employed at South Devon Steiner School.

(Published online at the following address: <https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities>.)

I take on the full responsibility for myself to ensure that I comply with this guidance and acknowledge my duties with regard to protecting my personal health as well as that of the children, young people and colleagues at this school.
