

Information about the MEDIA CONSENT FORM

Dear Parents,

Our school supports the use of images to promote the school through a variety of media, subject to the conditions of use outlined below, and in accordance with school policy. We will only permit use of any images involving your child with your express permission, which we are requesting via the form overleaf.

The sorts of areas in which images may be taken and used, by the school or others are:

- School general publicity (e.g. printed publications such as a prospectus, leaflets, school display boards, our website, Friday Flier).
- School events publicity (e.g. local and national press, radio and TV coverage of plays, Fairs, music, school trips, events elsewhere that the school is taking part in).
- Educational purposes (e.g. video or web cam recordings for school-to-school conferences, monitoring or other educational use).
- General Steiner publicity (e.g. Steiner Fellowship website, publications; TV programme about Rudolf Steiner).

Conditions of use

1. Your permission can be amended at any time, by contacting the school office.
2. If we use photographs of individual pupils or small groups of pupils, we will avoid using the full name (i.e. first name and surname) of that child in the accompanying text or photo caption. Please note that external media (press/radio/TV) are likely to use full names in their publications/broadcasts.
3. When using images, we will not include personal e-mail or postal addresses, telephone or fax numbers on video, on our website, in our school prospectus or in other printed publications.
4. We may use group or class photographs or footage with very general labels, such as "a gardening lesson", or "making Christmas decorations".
5. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.

Thank you for your co-operation,
